## HOW TO EFFECTIVELY TURN OPPORTUNITY INTO CASH FOR YOU!

Have you been investing in endless home-business "opportunities," many that promise the Moon & Stars? Have you been waiting for that 1st sale that seems never to come? Have you watched your hard-earned cash disappear with little to no results?

Don't feel alone! It is happening to many people who have dreams just like you. It's not your fault! It's not their fault! It's simply a matter of not knowing how and what to do.

Let's face it! The dream is nice, but when reality hits, doubt and disappointment follow with "quit" not too far behind! It doesn't have to be that way!

I know I can change that for **YOU** because my experience has proven it is **knowing PROPER TOOLS** are needed to turn opportunity into cash!

I want to share with you the tools that's made **THE** difference in my own direct mail success. There is nothing like experience that makes the teacher. Just send me 3 Forever stamps along with this postcard for life-changing details and a Special Report.
