Your only responsibility is to simply advertise. That's it! Whether it's mailing your personalize copy of this sales letter, sending people to our video presentation, placing ads, etc. We take over from there. We handle all the calls, texts, and emails from your marketing.

You never have to take or make any phone calls. We do all that for you! And the best part is we can do all the marketing and advertising for you as well!

We can even mail out your sales letters for you! We offer a complete Print and Mail service. Details will be in your Welcome Package or just give us a call here at the office at 858-216-6624.

Finally, you can earn a great income from home without having to make any phone calls, bug your friends and family, and with no "selling" at all! Let our Sales letter, 24hr Message and video do all of that for you. Plus, our live real-time support to help close and process all your sales!

Note: You will earn Commissions based on the Membership Level you are qualified at when you refer a Membership to us.

Example. If you are a GOLD Member and you refer a CEO Membership, you will still receive your \$300 commissions for the Gold Membership but the balance of the \$3500, or the \$3200 will go to the next qualified member or members. So, when deciding which Membership to start at, keep in mind your goal is to become a CEO as soon as possible to maximize your commissions. You do this by starting at the highest membership you can afford. You can always upgrade later, and you only pay the difference from the Membership Level you are currently qualified at and the Membership Level you want to be upgraded to.
